Authorization to Publish

By signing and returning this form, the author is giving *Authorization to Publish* their paper in the ConMat'05 proceedings, to the University of British Columbia (UBC).

The author guarantees their work is original, and that any necessary permission to quote from another source (co-authors, employers, government agencies, etc.) has been obtained.

The author also guarantees the work contains no defamatory, harmful, or libellous information.

If this paper was jointly prepared, the author is required to sign on behalf of their co-authors after informing them of the terms of agreement.

I the undersigned, in full agreement with the above conditions, give my *Authorization to Publish* for the following publication:

Title: _____
Name: _____
Signature: _____
Date: _____
Contact Info: _____

Please return the original signed *Authorization to Publish* by airmail to:
