MEng Program – Continuing Status Request

This form is to be completed by International MEng students wishing to request Continuing Status. Continuing Status is available for Summer Terms only, and is normally granted because of the lack of availability of courses and non-participation in a co-op work term. The completed form should be submitted as a pdf to gradsupport@civil.ubc.ca.

Note: MEng students are required to pay at least three tuition instalments over the duration of their program and must complete their program within a five-year period; 'Continuing Status' over the summer will not affect the minimum payments required nor the maximum time permitted to complete the degree.

Student Name: _____

Student Number: _____

Specialization: _____

Continuing Status requested for:

Start date: _____ (must be May 1)

End date: _____ (must be August 31)

Rationale

Please provide a brief rationale for requesting this status:

Student Signature: _____

Date: _____
